Shut off formally but we

BUILT a Global NETWORK
via
zoom

We offer Agiannis place as means to an end

- * bio fab lab biz (analogue)
- * "R" platform (virtual)

We create value

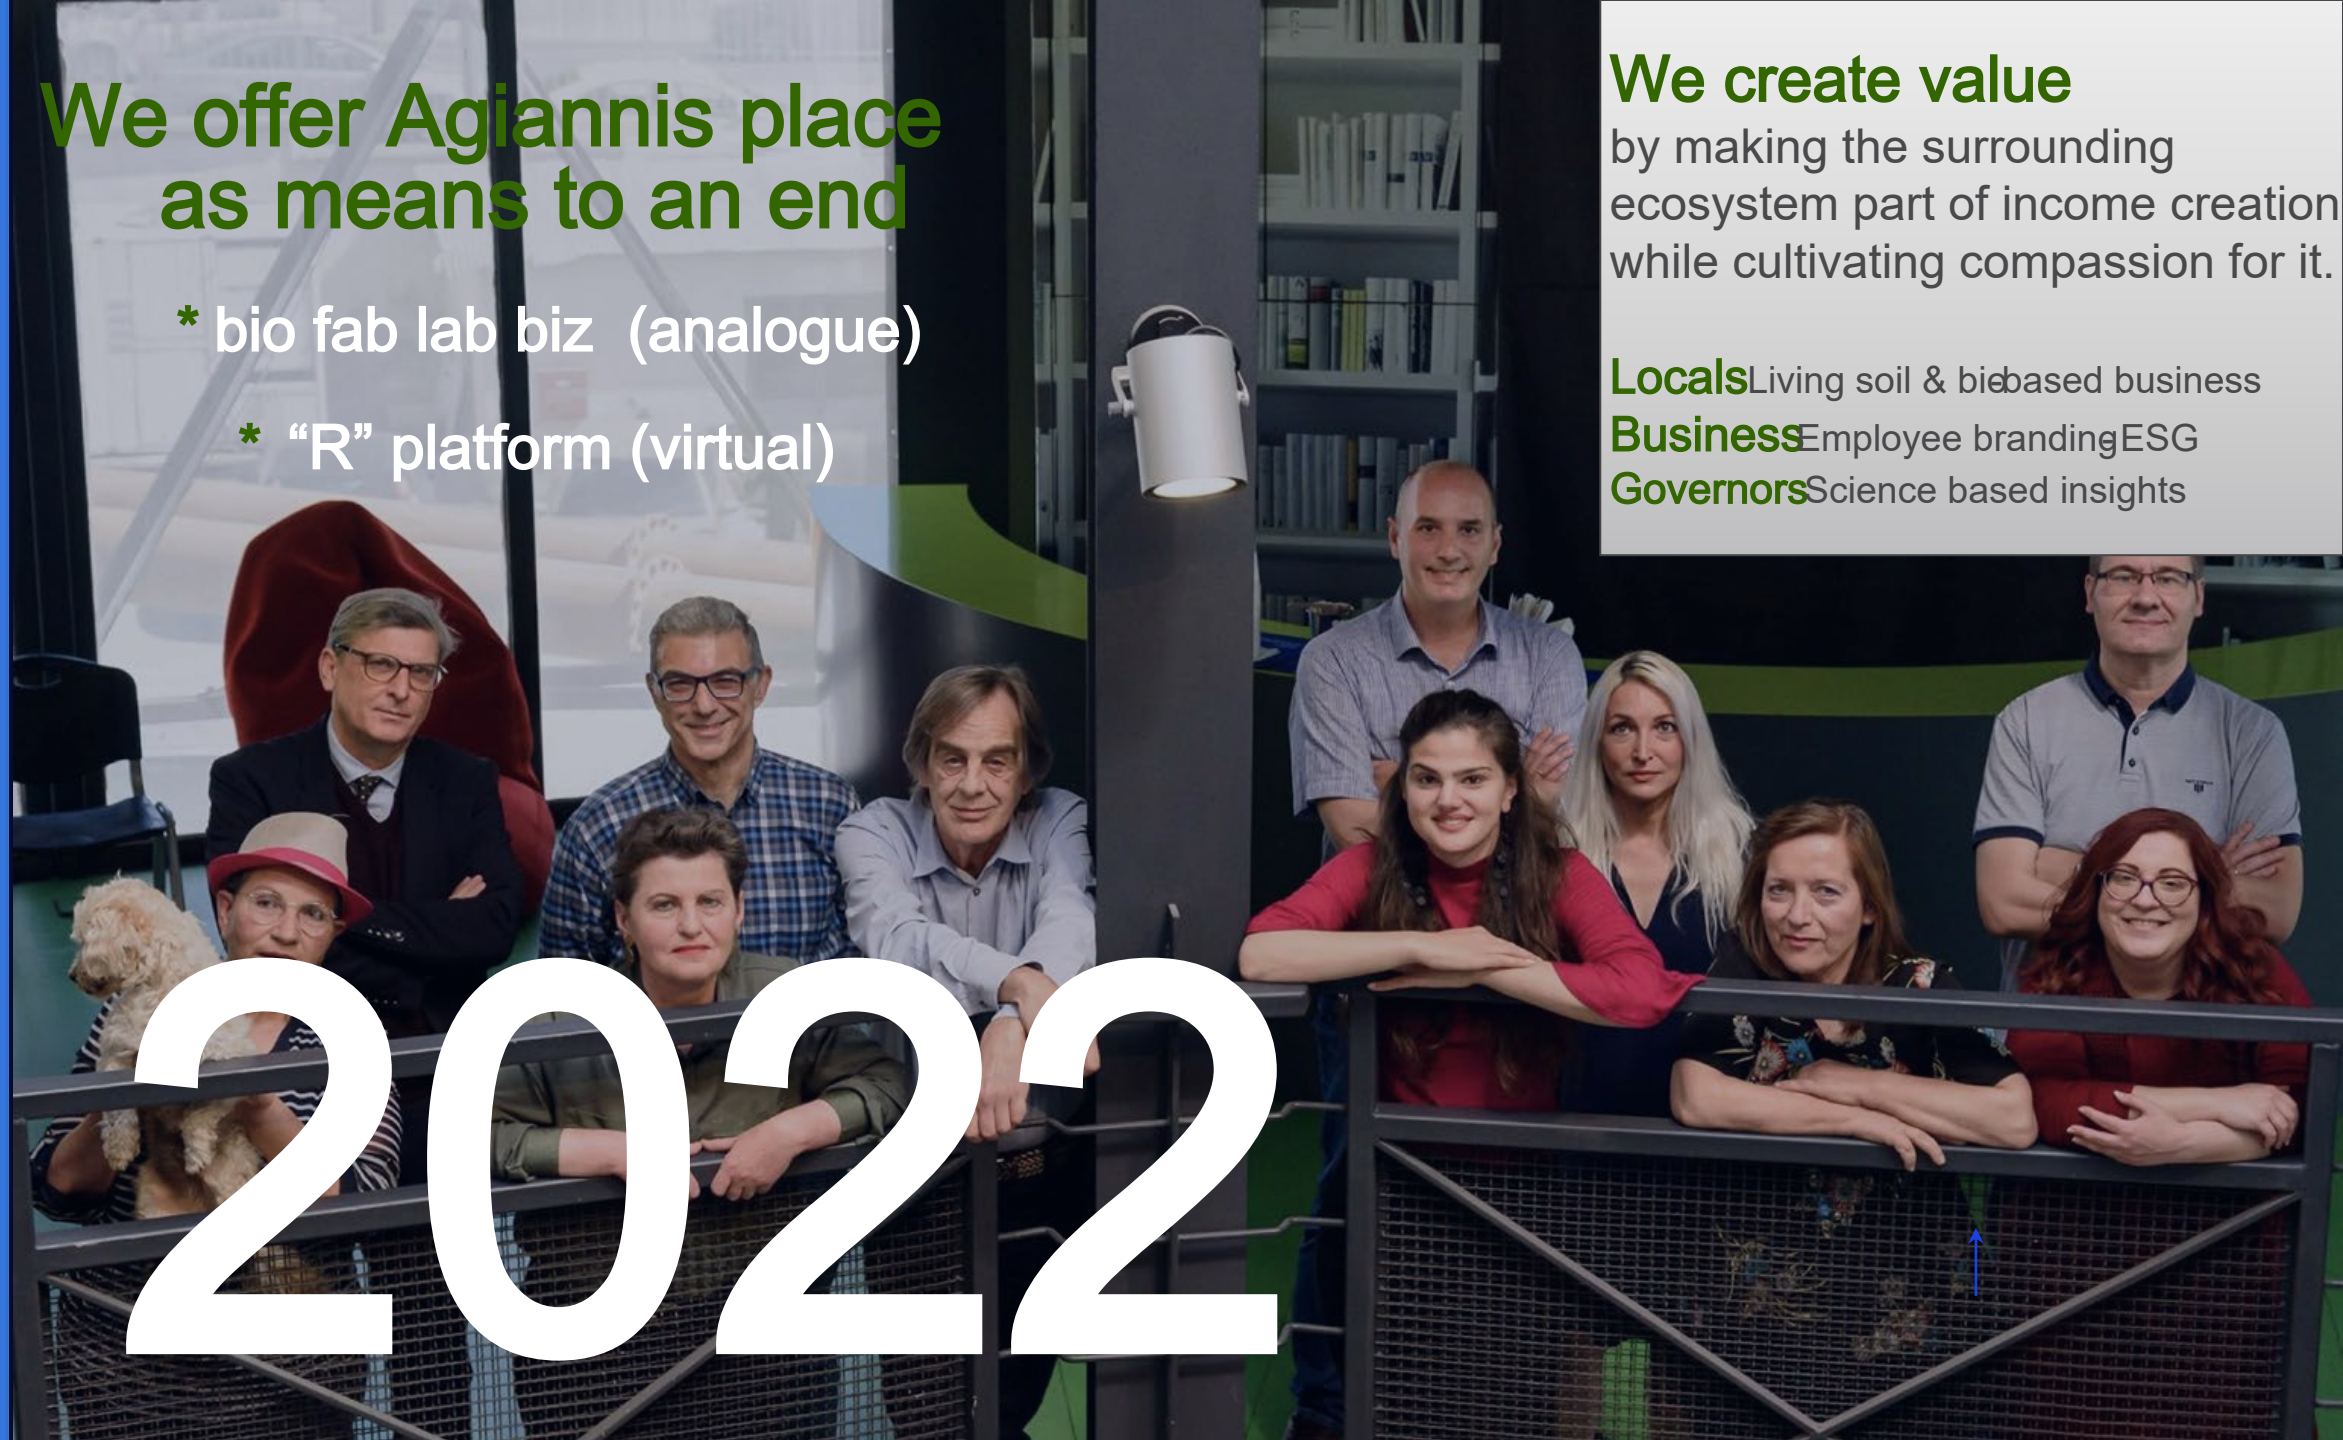

by making the surrounding ecosystem part of income creation while cultivating compassion for it.

Locals Living soil & biobased business

Sea Breeze: high performance under pressure in a vuca business world

Partnerships

for EU Calls

What we need to make it happen

a) Local Dinners tickets

(corporate salons adopting Meraki People as a PanEuropean CSR Reporting Project)

b) Funding for the Digitalisation of the business and Human Capital salaries

c) Access to Seed Capital

d) EU Calls Partnerships

d. Operating licenses (Greek Government)
